

# Land of the origin of coffee

Witness the journey from bean to cup!

## Visit the sacred land of the origin of coffee with Tega & Tula Coffee Estate in Kaffa and unravel the sacred practice behind your coffee bean and brew

Are you a coffee enthusiast who enjoys hearing the coffee story and the indigeneity of its production right from the farmer's mouth? Then look no further! We are delighted to announce that we will sponsor your memorable travel to visit our Organic and RA certified farms, located in the Kaffa region and surrounded by UNESCO protected forests, where the magic of coffee and caffeine was first discovered. Join us at the AFCA Coffee Booth and register for an unforgettable Coffee Origin Tour this February during the AFCA 2024 week.
